SECTION - II

A. INTRODUCTION & OBJECTIVE

The District Mineral Foundation Trust (DMFT), Ramgarh/District Administration, Ramgarh, Jharkhand invites sealed proposals from reputed and technically competent firms for the Development and Maintenance of an integrated DMFT Work Monitoring Portal for Ramgarh District. The proposed platform will provide a centralised digital mechanism for planning, tracking, monitoring, and reporting of DMFT projects from the initial work request/recommendation stage through approval, execution, physical and financial progress, inspection, and final handover. The proposed system incorporates Dashboards, GIS-based monitoring, Digital Document Management, MIS Reporting, and AI-powered project analysis and reporting. This RFP aims to identify suitable agencies with relevant technical capability, experience, and understanding of digital governance and project monitoring systems.

Background: District Mineral Foundation Trust (DMFT), Ramgarh undertakes various developmental and welfare-oriented projects for mining-affected areas and communities. Such projects involve multiple stakeholders, departments, approval stages, documents, and implementation activities. Effective monitoring requires timely availability of project information, progress records, supporting documents, and financial information in a structured manner.

Objective: To establish a centralized digital platform for end-to-end management and monitoring of DMFT projects, enabling the District Administration to maintain a single, reliable source of information for every project and ensure greater transparency, accountability, and timely decision-making.

SECTION - III

A. SCOPE OF WORK & FUNCTIONAL REQUIREMENTS

The selected agency shall be responsible for delivering a robust web-based portal encompassing the following modules and functional requirements:

End to End Project Lifecycle Monitoring:

Sr.	SCOPE COMPONENT	DETAILS / REQUIREMENTS
1	Project Lifecycle Monitoring	**Stage 1 - Work Request / Recommendation** Capture: Block, Panchayat, Village, Work Type, Work Name, Recommended By, Designation, Letter Date, Letter Number, Received Letter. **Stage 2 - Work Request Acceptance** The system should provide provision for recording: Gram Sabha, Governing Council Meeting, Management Committee Meeting, Meeting dates, Proceedings/documents. **Stage 3 - Technical Approval** The system should track: Department selected for DPR, DPR preparation, DPR document, Technical Approval, Approved letter, File Movement. **Stage 4 - Administrative Approval** The system should facilitate recording of the configured file movement and approval process involving designated officers and subsequent communication to the approved execution department. **Clarity of File Movement/Work flow** - Officer-to-officer file movement (Forward / Return / Revert / Resubmit), Remarks at every stage, Date & time stamp, Pending-at officer tracking, Approval history.

		• Projects awaiting approval • Projects awaiting tender • Projects where work has not commenced • Pending inspections • Pending inspection actions • Projects awaiting handover • Dashboard – filtering - Search, Project ID, Project Name, Village, Panchayat, Block, Department, Contractor, Financial Year, physical and financial Status, Approval number, Agreement number. • **Public dashboard** - Total projects, Block-wise projects, Completed/ongoing, Project location, Project photographs, Approved amount, physical Progress, Completed projects. The dashboard should allow filtering and drilling down to individual projects.
3	Map-Based Project Monitoring	The proposed system should provide Map-based visualization of DMFT projects. **The GIS module may provide:** • Project location on district map • Block-wise project distribution • Panchayat-wise project distribution • Project status on map • Work category • Project details • Geo-tagged photographs • Project-wise map view
4	Digital Document Management	**Each project should have a dedicated digital document repository. Documents may include:** • Recommendation letters • Gram Sabha documents • Meeting proceedings • DPR • Technical approval • Administrative approval • Tender documents • Agreement • Progress photographs • Payment requisitions • Inspection reports • Financial documents • Handover documents The system should maintain document history and appropriate access controls.
5	Delay And Pendency Monitoring	**The portal should provide mechanisms to identify projects requiring attention. Indicative cases include:** • Approval pending • DPR pending • Technical approval pending • Administrative approval pending • Tender pending • Agreement pending • Work commencement pending

		9. Inspection Module 10. User & Role Management 11. AI-based Reporting/Analysis Module 12. Data Migration/Digitisation Support 13. Testing & Quality Assurance 14. Deployment 15. User Training 16. Maintenance & Technical Support The final scope and deliverables shall be finalized during the subsequent procurement/selection process.
11	Support	• Dedicated technical support for 3 months onsite during the project implementation phase, followed by remote technical support for the remaining project duration. • Monitoring, issue resolution, and weekly status reports
12	Hosting and Security	**Secure Hosting:** • Deploy the application and data on a secure hosting • Ensure reliable and scalable hosting to handle high data and document sizes. • The agency will bear the cost of the server. **Data Security:** • Implement all necessary security measures to protect user data.
13	Accessibility / Government Website Standards	• Responsive design • Browser compatibility • Accessibility compliance • Hindi + English language support • Unicode Hindi • Standard government web guidelines applicable to the portal • Accessibility for users with disabilities

B. NON-FUNCTIONAL REQUIREMENTS

Sl.	Scope Component	Details / Requirements
1	24/7 Availability	Ensure the portal is available 24/7 without downtime.
2	Low Latency	Optimise the portal for low latency and quick response times.
3	Scalability	Design the system to handle multiple users over time, ensuring stability and performance.
4	Consistency	Ensure all updates and changes reflect across the system in a reasonable time frame.
5	UI/UX	Develop an efficient and user-friendly interface with attractive data visualisations.

SECTION - IV

A. PRE-QUALIFICATION & EVALUATION CRITERIA

Sl.	Pre-Qualification Requirement	Mandatory Documentary Proof
1	Legal Entity: Registered company (Companies Act), LLP, or Partnership firm operating in India for at least 3 years.	Certificate of Incorporation / Partnership Deed
2	Financial Turnover: Minimum Average Annual Turnover of Rs. 1 crore in the last 3 financial years (2022-23, 2023-24, 2024-25).	Audited Balance Sheets & P&L Statements certified by a Chartered Accountant.
3	Clean Track Record: Not blacklisted by any Central/State Government, PSU, or Statutory Body.	Self-declaration affidavit on non-judicial stamp paper of Rs. 100/- duly

District Informatics Officer
NIC, Ministry of Communication & IT
Government of India

		notarized.
4	Tax & Registration: Valid PAN, GSTIN registration in Jharkhand.	Self-certified copies of PAN and GST registration certificates.
5	MSME / Startup Recognition: Registered MSME / UDYAM or DPIIT startup recognized entities (exempted from EMD as per Jharkhand Procurement Policy).	Valid MSME/UDYAM or DPIIT Certificate.
6	Relevant Experience: Must have successfully executed at least 2 software/portal development projects for Central/State Government or PSUs in India.	Copies of Work Orders and Satisfactory Completion Certificates.
7	Tax Compliance: Latest valid GST return (GSTR-3B) filing proof.	Challan / Filing receipt of GSTR-3B.

B. EVALUATION & SELECTION

i) Mandatory Non-Responsiveness Criteria (Disqualification Parameters)

Proposals/Bid will be treated as non-responsive and summarily rejected if they fail any of the following mandatory conditions:

Parameter / Condition	Compliance Requirement
RFP Compliance	Must be submitted strictly as specified in the RFP document.
Authorization	Must include valid Letter of Authorization (Power of Attorney).
Data Integrity	No suppression of details; complete and accurate information required.
Offer Terms	Must be unconditional, definite, and include full scope (no partial offers).
Checklist Documents	All requested checklist documents must be enclosed.
Clause Adherence	Must comply with all stipulated RFP clauses without exception.
Bid Validity	Must meet the minimum required bid validity period.

ii) Evaluation Process & Committee Scope

The Proposal Evaluation Committee administers the review process based on the following structured steps:

Stage / Step	Description & Committee Scope
Bid Opening	Conducted publicly in the presence of applicant representatives who sign an attendance register.
Preliminary Examination	Checks completeness, computational accuracy, proper signing, and overall order.
Pre-Qualification	Evaluates eligibility criteria, proper documentation, and minimum performance levels.
Clarification Meetings	DMF(T) administration may conduct meetings with applicants for technical or general clarifications.
Technical Evaluation	Detailed assessment of competence and technical responsiveness against RFP parameters.
Technical Presentation	Technically qualified Bidders will have to give PowerPoint presentation before District Level proposal Evaluation Committee, Ramgarh.
Live Software Demonstration	Demonstration of a fully functional working prototype or previously deployed similar monitoring portal.
Financial Evaluation	Total development cost of Software and Services inclusive of taxes (As mentioned in Section V of RFP) will be considered for the evaluation of the bid.

District Informatics Officer
Ministry of Communication & IT
Government of India
Chhatarmandu, Ramgarh
Jharkhand-825101

जिला योजना पदाधिकारी
रामगढ़।

iii) Technical Cover Documentation Rules

Applicants must strictly adhere to documentation guidelines within the Technical Cover:

Requirement	Instruction & Compliance Rule
Project Value & Scope	Supporting documents must clearly indicate project values (completed/ongoing) with highlighted scope of work/services.
Non-Disclosure Agreements (NDA)	Client experience under an NDA will not be counted unless a copy of the NDA agreement is submitted.
Summary Rejection	Failure to comply with any of the above conditions will result in summary rejection of the bid.

NOTE:

a. Separate weightage shall be given to technical bid (60%) and financial bid (40%).
b. Preference shall be given to the bidder who has worked with any district of Jharkhand.
c. The contract shall be awarded to the agency which is getting maximum overall QCBS score i.e. Financial Score + Technical Score.
d. In the event of a tie in overall marks, preference shall be accorded to the bidder with the higher technical score.

iv) Technical and Financial Evaluation Criteria (Total Marks: 100)

Sr.	Evaluation Parameter	Detailed Breakdown	Max. Marks
1	General Domain Experience	Experience in developing and maintaining web-based software applications/portals: 3 marks shall be awarded for each work order of minimum 12 months' duration, subject to a maximum of 5 work orders and a ceiling of 15 marks.	15
2	Experience in Government Projects	Experience in executing software/digital governance/ similar projects for Government departments in Jharkhand: One mark shall be awarded for each work order of minimum 12 months' duration, subject to a maximum of 5 work orders and a ceiling of 5 marks.	5
3	Technical Presentation & Approach	Comprehensiveness of approach, methodology, work plan, resource deployment, system architecture, and compliance with Ramgarh DMFT requirements.	20
4	Live Software Demonstration	Demonstration of a fully functional working prototype or previously deployed similar monitoring portal.	20
		Total Technical Score (T)	60
5	Financial	Development and 2 years maintenance support	40
	Total (A+B)		100

*** Bidders who score 60% marks in the Technical Evaluation shall be called for Financial Evaluation.**

v) **Evaluation Process:** The Bidder shall be selected based on the Quality-cum-Cost Based Selection **(QCBS)** method, wherein the Technical Proposal will carry a weightage of 60 marks and the Financial Proposal will carry a weightage of 40 marks.

Where: -**T:** Technical score and **F:** Financial score

Weightage

a. Technical Evaluation: 60 marks
b. Financial Evaluation: 40 marks
c. Final QCBS Score = Technical Marks (out of 60) + Financial Marks (out of 40)
d. Maximum Score = 100 marks

District Informatics Officer
Ministry of Communication & IT
Government of India
Chhatarmandu, Ramgarh
Jharkhand-825101

जिला योजना पदाधिकारी
रामगढ़।

Technical Marks (T)

a. Evaluated based on criteria defined in the tender (e.g., experience, financial turnover, methodology, compliance, PPT presentation, etc.).

b. Marks awarded out of 60.

Financial Marks (F)

a. Financial marks will be calculated using the formula:

b. F = (Lowest Bid / Bid Price) × 40

c. Where:

- Lowest Bid = the lowest financial offer among all Bidders.
- Bid Price = the financial offer of the Bidder being evaluated.

d. This ensures that the lowest Bidder receives the full 40 marks, while others are scored proportionately.

Final QCBS Score

a) Final QCBS Score = Technical Marks + Financial Marks (T + F)

b) Where:

T = Technical Marks (out of 60)

F = Financial Marks (out of 40)

Total Score = out of 100

Example

a) Technical Evaluation: 40/60

b) Financial Evaluation:

e. Lowest Bid = ₹10,00,000

f. Bid Price = ₹12,00,000

g. F = 10,00,000/12,00,000x 40 = 33.33

h. Final QCBS Score = 40 + 33.33 = 73.33/100

Selection -The Bidder scoring the highest Total Score in bid process shall be declared as the "Selected Bidder".

The Bidder with the highest QCBS score will be invited for further processes leading to the award of the Contract. The bid price shall include all applicable taxes and shall be quoted in Indian Rupees. Prices quoted in the bid must be firm and final and shall not be subject to modification on any account whatsoever. In case of a tie, the Bidder with the higher technical score will be considered the preferred Bidder. For evaluation, the total evaluated cost shall be inclusive of all applicable taxes and duties, including overhead expenses, for which payment will be made by the Client to the Consultant.

The final ranking of the bidders shall be determined on the basis of Quality-cum-Cost Based Selection (QCBS) with a weightage of 60% for Technical score and 40% for Financial score.

Combined Score (S) = (T + ((F-low / F) × 30))

- T = Technical Score obtained by the bidder.
- F = Total Financial Bid quoted by the respective bidder.
- F low = Lowest Total Financial Bid quoted among all technically qualified bidders.

The bidder achieving the highest Combined Score (H-1) will be invited for contract award.

SECTION - V

A. TERMS & CONDITIONS

1. **Price Basis:** Prices will be quoted in Indian Rupees and shall be inclusive of all applicable taxes. TDS deduction shall be made as per the prevailing Govt. Laws/notifications.
2. Validity Period of RFP Price quoted shall remain valid for a period of 1 year after the scheduled date of Proposal submission.
3. **Payment terms and deliverables**

Milestone Stage	Deliverable / Event Description	Percentage of Payment to be done
Milestone 1	Successful hosting & launching of the DMFT Work Monitoring Portal.	50%
Milestone 2	After 6 months of uninterrupted and successful operation of DMFT Work Monitoring Portal.	20%
Milestone 3	Successful completion of Year 1 O&M and satisfactory performance audit.	15%
Milestone 4	Successful completion of Year 2 O&M and final project handover.	15%

   a. Payment will be made on raising the bill
   b. The scope of work provided under this contract is not exhaustive by any means.
   c. Deliverables to be mutually decided between District Administration Ramgarh and the Implementation during contract signing phase.
   d. The component of the Goods and Services Tax shall be paid as applicable and as per actuals. Also, TDS will be deducted as per the provisions of the Income Tax Act as applicable.
   e. For facilitating transfer of funds, the selected organization will be required to indicate the name of the bank and branch, account number (i.e. bank names, IFSC Code and Bank A/c No.) and forward a cheque leaf duly canceled in order to verify the details furnished. Every invoice submitted for payments by the selected organization, shall provide these details.
   f. The rates provided hereunder shall remain the same for the entire duration of the contract.
4. **Delivery Schedule**:
   Web application initial release should be within 60 days from the date of work order and signing of the agreement.
5. **Penalty**:
   In case of delay in project implementation, the penalty would be applied by the tendering authority. It will be Rs 5000/- per delayed week.
6. **Maintenance**:
   The web portal/application shall be maintained by the selected bidder for initial twenty-four (24) months, commencing upon the successful hosting of the DMFT Work Monitoring Portal.
7. **Ownership**:
   Ownership of all data uploaded and generated through the portal shall remain with the District Administration, Ramgarh. Upon completion of the project duration, all data, uploaded documents and related records shall be duly handed over to the District Administration, Ramgarh.
8. **Submission of Bids:**
   The bids have to be submitted in physical form at the DMFT Cell, Ramgarh with technical cum pre-qualification bid in one envelope and financial bid in another envelope. Both the envelopes should be kept in one envelope with the name of the bidder superscripted on it.

District Informatics Officer
Ministry of Communication & IT
Government of India

जिला योजना प्रदाधिकारी
रामगढ।

9. **Evaluation of Bids:**
   I. The DMF(T) Administration will constitute a Proposal Evaluation Committee to evaluate the responses submitted by the Applicants.
   II. The Proposal Evaluation Committee constituted by the DMF(T) Administration shall evaluate the responses to the RFP along with all supporting documents and documentary evidence. Failure to submit the required supporting documents or documentary evidence may lead to rejection of the Proposal.
   III. The decision of the Proposal Evaluation Committee in the evaluation of responses to the RFP shall be final. No correspondence shall be entertained outside the evaluation process with the Committee.
   IV. The Proposal Evaluation Committee may request meetings with the Applicants to seek clarifications on their Proposals.
   V. The Proposal Evaluation Committee reserves the right to reject any or all Proposals based on deviations.
   VI. Each response shall be evaluated as per the criteria and requirements specified in this RFP under the "Evaluation and Selection" section. The decision of the Committee will be final in this regard.
10. **Risk Purchase**:
   Action against defaulting vendor in case work is awarded to him, in the event of contractor's failure to execute the contract to the satisfaction of Tendering Authority, the purchaser reserves the right
   a. To reject any part of the contract executed and withhold/cut payment for such portion of the contract till such time the defects are rectified to the satisfaction of the purchaser.
   b. To terminate the contract by giving one week notice in writing without assigning any reason.
11. **Termination of Default**: Tendering Authority may, without prejudice to any other remedy for breach of contract, by written notice of default, sent to the contractor, terminate this contract in whole or in part
   a. If the contractor fails to deliver any or all the services/goods within the time specified in the contract, or any extension thereof granted by the Tendering Authority.
   b. If the contractor fails to perform any other obligation (s) under the contract; and
   c. If the contractor, in either of the above circumstances, does not remedy his failure within a period of 15 days (or such a longer period as the purchaser may authorize in writing) after receipt of the default notice from Tendering Authority.
12. **Authentication of Bid – Power of Attorney:**
   a. The bid shall be signed by a person(s) duly authorized to bind the bidder to the contract. Such authorization shall be evidenced by a Power of Attorney or a Board Resolution, in the format at Annexure-B, executed on non-judicial stamp paper of the value prescribed under law, accompanying the technical bid. Bids not accompanied by a valid Power of Attorney/Board Resolution shall be treated as non-responsive.
13. **Intellectual Property Rights and Ownership of Deliverables:**
   a. All source code, object code, databases, documentation, designs, GIS layers, dashboards, reports formats and any other work product created specifically for the DMFT Work Monitoring Portal under this contract ("Deliverables") shall be the sole and exclusive property of the District Administration, Ramgarh / DMFT, Ramgarh, with full rights of use, modification and further development, free of any license fee or restriction.
   b. Where the selected agency uses its own pre-existing proprietary frameworks, libraries or components ("Background IP") in building the portal, such Background IP shall continue to vest with the agency, provided the agency grants the District Administration a perpetual, royalty-free, non-exclusive license to use, host and maintain such Background IP as embedded in the Deliverables for as long as the portal is in use.
   c. The agency shall hand over the complete and current source code, build scripts, database schema, environment/configuration files and technical documentation to the District Administration (i) at each

रामगढ।

major release, and (ii) in any case upon expiry, termination or non-renewal of the contract, in a usable and readable format, within 15 days of such event.

d. The agency warrants that the Deliverables do not and will not infringe the intellectual property rights of any third party, and shall indemnify the District Administration against any claim, loss or liability arising from such infringement.

14. **Data Ownership, Data Security and Hosting:**

a. All data uploaded, generated, processed or stored through the portal — including project records, documents, photographs, geo-tags, financial data and personal data of officials/beneficiaries — shall at all times remain the exclusive property of the District Administration, Ramgarh.

b. The agency shall not access, use, copy, transmit, sell or share any such data for any purpose other than performance of this contract, and shall not do so after expiry or termination of the contract without prior written permission of the District Administration.

c. The agency shall host the application and data on a secure environment located within India, shall implement reasonable technical and organizational security measures (encryption in transit and at rest, role-based access control, audit logging, regular backups and a documented disaster-recovery plan), and shall promptly report any data breach or security incident to the District Administration.

d. The agency shall carry out (or arrange) a Vulnerability Assessment and Penetration Testing (VAPT) of the portal prior to go-live and periodically thereafter (at least once a year, or after any major change) and shall remediate identified vulnerabilities within a timeframe to be mutually agreed, at no extra cost if attributable to the agency's own 3 code.

e. Upon completion, expiry or termination of the contract, the agency shall migrate/hand over the complete database and documents to the District Administration or its nominated successor agency and thereafter permanently delete such data from its own systems, certifying such deletion in writing.

15. **Warranty and Defect-Liability Period:**

a. The agency shall warrant the portal against defects, errors and non-conformance with the agreed scope of work for a period of [24] months from the date of go-live ("Warranty Period"). During the Warranty Period, the agency shall rectify defects free of cost within a timeframe based on severity (to be specified in the Service Level Agreement), and this obligation is separate from and in addition to the maintenance/support period mentioned elsewhere in this RFP.

16. **Confidentiality:**

a. Each party shall treat as confidential all data, documents, source code, business/administrative information and other material shared by the other party in connection with this contract and shall use it only for performance of the contract.

b. This obligation shall not apply to information that is or becomes publicly available other than through a breach of this clause, or that a party is required to disclose under law or by order of a court/statutory authority. The obligation of confidentiality shall survive.

c. expiry or termination of the contract for a period of 3 (three) years.

17. **Indemnity**

The selected agency shall indemnify and keep indemnified the District Administration/DMFT, Ramgarh against any cost, loss, damage, claim or liability (including from third parties) arising out of

a. any negligence, wrongful act or omission of the agency, its personnel or sub-contractors,

b. any breach of the terms of this contract by the agency, or

c. any claim that the Deliverables infringe the intellectual property rights of a third party. This indemnity shall be limited, in aggregate, to the total contract value, except in cases of willful misconduct or fraud.

18. **Right of Monitoring, Inspection and Audit:**

The District Administration shall have the right, at any time during the contract period and upon reasonable notice, to inspect and monitor the progress of development/maintenance work, review the source code and documentation, and conduct or commission an audit (including a security/VAPT audit) of

जिला योजना पदाधिकारी
रामगढ़।

the portal. The agency shall extend full cooperation and provide access to code repositories, servers, logs and records required for this purpose.

19. **Statutory Compliance**:
    The agency shall comply with all applicable laws, rules and regulations of India and the State of Jharkhand while performing this contract, including but not limited to labour laws (for its own personnel), taxation laws, the Information Technology Act, 2000 and rules made thereunder, and any applicable data-protection legislation, and shall keep the District Administration indemnified in respect of any non-compliance.
20. **Conflict of Interests:**
    The agency shall disclose in writing, as soon as it becomes aware, any actual or potential conflict of interest that exists or may arise in the course of performing the services under this contract.
21. **Force Majeure**:
    Neither party shall be liable for any delay or failure in performance of its obligations under the contract to the extent such delay or failure is caused by a Force Majeure event — including natural disasters, epidemics, war, civil unrest, or government-imposed restrictions — that is beyond the reasonable control of the affected party and could not have been foreseen or mitigated with reasonable diligence. The affected party shall notify the other party in writing within 5 (five) days of the occurrence of such an event, and the parties shall discuss and agree upon an alternative mode of performance to the extent feasible.
22. **Dispute Resolution**:
    Any dispute or difference arising between the parties in connection with this contract shall in the first instance be resolved through direct negotiation. If not resolved within 30 (thirty) days of commencement of such negotiation, the matter shall be referred to the Deputy Commissioner, Ramgarh (or an officer nominated by him/her) for a decision, which shall be final and binding, without prejudice to either party's right to approach a court of competent jurisdiction thereafter.
23. **Governing Law and Jurisdiction**:
    This contract shall be governed by the laws of India. All disputes shall be subject to the exclusive jurisdiction of the courts at Ramgarh / the Hon'ble High Court of Jharkhand, Ranchi.
24. **Fraud and Corrupt Practices**:
    The District Administration shall reject a bid, without being liable in any manner to the bidder, if it determines that the bidder has engaged, directly or indirectly, in any corrupt, fraudulent, coercive, undesirable or restrictive practice in connection with the bidding process. In such event, the EMD/Performance Guarantee, as applicable, shall be forfeited, and the bidder/agency shall be debarred from participating in any tender/RFP issued by the District Administration, Ramgarh for a period of 3 (three) years if convicted and 2 (Two) years in case of an integrity breach.
25. **Restriction on Consortium / Sub-contracting**:
    Bids submitted as a consortium or joint venture are not permitted. The selected agency may not sub-contract or assign the whole or any material part of the contract to any third party without the prior written consent of the District Administration; where such consent is given, the agency shall remain fully responsible for the performance of the sub-contracted work.
26. **Legal Entity Eligibility – Clarification:**
    The bidder must be a Company registered under the Companies Act, 1956/2013, or a Limited Liability Partnership registered under the LLP Act, 2008, or a partnership/proprietorship firm registered under applicable Indian law, with a valid track record of undertaking software design, development and maintenance assignments, as evidenced by its Certificate of Incorporation/Registration, PAN and GST registration.
27. **Performance (Bank) Guarantee**
    a. The selected agency shall, within 15 days of issue of the Work Order, furnish a Performance Bank Guarantee equal to 5% of the total contract value, in the format at Annexure-C, valid for the duration

District Informatics Officer
Ministry of Communication & IT
Government of India

Jharkhand-825101

जिला योजना पदाधिकारी
रामगढ़।

of the contract plus 2 (two) months, issued by a Nationalised/Scheduled Bank in favour of the "District Planning Office, Ramgarh", payable at Ramgarh.

b. The Performance Bank Guarantee shall be liable to be invoked/forfeited in the event of breach of contract, unsatisfactory performance, or delay attributable to the agency, without prejudice to any other remedy available to the District Administration.

c. The EMD of the successful bidder shall be released upon submission and acceptance of the Performance Bank Guarantee. EMD of unsuccessful bidders shall be refunded within 60 days of intimation of non-selection, without interest.

28. **Duration of Contract**

The assignment shall initially remain valid for a period of twenty-four (24) months, commencing upon the successful hosting of the DMFT Work Monitoring Portal. The duration of the Contract may be mutually extended, depending on project requirements and on mutually agreed terms and conditions, subject to satisfactory performance of the Consultant/Vendor as determined by the Deputy Commissioner-cum-Chairman, DMF(T), Ramgarh, and based on the advice of the State Government from time to time.

29. **Exit Management**

Upon expiry or termination of the contract for any reason, the agency shall:

a. Hand over the source code, documentation and complete data.

b. Provide reasonable knowledge-transfer/transition support to the District Administration or its successor agency for a period of up to 30 days at no additional cost, and d. continue to render services during such transition period to ensure business continuity, unless the contract is terminated for the agency's fraud or willful default.

30. **General**

a. **Notices:** All notices under the contract shall be in writing and deemed served if delivered by hand or sent by registered post/email to the addresses specified in the contract.

b. **Waiver:** Failure to enforce any provision of the contract shall not be construed as a waiver of that or any other provision.

c. **Modification:** Any amendment to the contract shall be in writing and signed by authorised representatives of both parties.

d. **Severance:** If any provision of the contract is held invalid or unenforceable, the remaining provisions shall continue in full force and effect.

e. **Survival:** Provisions relating to IPR, data ownership, confidentiality, indemnity and dispute resolution shall survive expiry or termination of the contract.

f. **No Claim Certificate:** The agency shall not raise any claim against the District Administration after it has signed a "No Claim" certificate upon final acceptance of the work.

31. **Termination for Default**:

The District Administration may, without prejudice to any other remedy for breach of contract, by written notice of default of at least 30 days to the agency, terminate the contract in whole or in part, provided a cure period of not less than 15 days is given to the agency to rectify the breach, if:

a. the agency fails to deliver the portal/services within the time specified in the contract or any extension granted;

b. the agency fails to perform any other obligation under the contract within the 6 specified period or any extension thereof;

c. the agency is found to be engaged in corrupt, fraudulent, collusive or coercive practices or

d. the agency commits a breach of any material condition of the contract. In such cases, the Performance Bank Guarantee shall be forfeited.

31.1 **Termination for Insolvency**:

The District Administration may terminate the contract by giving 30 days' written notice if the agency becomes bankrupt or insolvent, provided such termination shall not prejudice or affect any right of action or remedy which has accrued or shall accrue to the District Administration.

31.2 **Termination for Convenience:**

The District Administration may terminate the contract, in whole or in part, for its own convenience, by giving 30 days' written notice. In such case:

a. The District Administration shall pay for all pending invoices and work satisfactorily completed up to the date of termination; and

b. Neither party shall be liable for consequential, incidental, indirect or punitive losses, and the agency's liability shall not exceed the total contract value.

31.3 **Termination by the Agency**:

The agency may, by not less than 30 days' written notice, terminate the contract if the District Administration is in material breach of its payment obligations and has not remedied the same within 30 days of receiving notice specifying the breach, or if a Force Majeure event under Clause 21. prevents performance of a material portion of the services for more than 60 days.

31.4 **Consequences of Termination**: Upon termination for any reason, the agency shall immediately comply with the Exit Management obligations at Clause 28. (source code, documentation and data handover, and transition support), and the District Administration shall be entitled to engage an alternative agency to complete the remaining work. Termination shall not affect any accrued rights or liabilities of either party, and the provisions relating to IPR (13), Data Ownership 7, Confidentiality (16) and Indemnity (17) shall survive such termination.
